From Principal's Desk...

It gives me great pleasure to pen a few words for our PNM E-Newsletter. I congratulate all the coordinators of various events and the editorial board for bringing out such a wonderful E-Newsletter. I am confident that through this E-Newsletter dissemination of initiatives and activities carried out by the various departments and cells will come to the light of all.

I wish all our faculties and the editorial board for their painstaking efforts to bring out this E-Newsletter.

One day Study Tour by Department of Botany

On 28th August 2019, all the students of B. Sc. Botany visited Nanakwadi and Ratneshwari for plant collection and field visit. Early in the morning all the students gathered in the college campus and set out for study tour. First they visited the water body behind the Nanakwadi Gurudwara. On the way of Ratneshwari the students observed the features of the stable water body and flora in and around the same. Students collected some Algae and some aquatic plant samples from the visited location and deposited in the department for laboratory observations during practicals. Later

on we moved further to visit some crop fields like cotton, Jowar, Bajra, Haldi etc to collect diseased plant samples. Further they moved towards the hill simultaneously collecting the flowering plants on the way. Students climbed the hill and observed the flora in and around. While returning they visited the Nanakwadi gurudwara and returned to the college campus.
